Welcome, thank you for your interest.

Obtain a membership form via our website OR pick one up at the club during a membership meeting or at a public shotgun event. Website link http://www.bigwalnutcc.com/?page_id=1916

Those seeking membership must be at least 18 years old and be a U.S. citizen or a documented Resident Alien.

The application form will need to be taken to a regular club membership meeting to be acted on. The meetings are held on the first Thursday of the month 7:30PM. While waiting to become a member, candidates are encouraged to attend membership meetings when possible.

The club maintains a 51% membership from the Big Walnut School District so there is oftentimes a wait list.

Becoming a member is a two-step process. The first step is that the application, once presented, requires two readings, at two separate meetings. Those meetings may be in two consecutive months, but not necessarily. After the second reading, the dues are paid and a one-year probationary membership starts. A liability (indemnity) form will need to be filled out at the start of your probationary period and every year after. The first-year dues are the regular \$100 fee, plus a \$25 initiation fee. After the year probation period, the full membership is granted by attending a regular monthly meeting, for a vote of approval by the majority of the members present.

Probationary members have voting rights on all normal meeting motions **except** by-law changes, and have full access to the club grounds and activities **except** for the use of the rifle, pistol and archery ranges, unless accompanied by a full member. Probationary members are also required to attend one of our Range Safety Orientation, even if you will not be shooting firearms or archery.

We are a volunteer origination so all members, probationary and full, are strongly encouraged to participate in committees, work days or other volunteer opportunities/special projects. This also allows members to meet you and speak in your behalf when time for the vote on full membership.

Membership renewal dues are collected starting in November and goes through the beginning of the March meeting. Dues can still be paid during the year, but will include an additional \$25 late fee.

Keep this form for your reference
